Period 1–30 November 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
71,679,222 s	**+493,799 s**	**-6,140,215 s**	**66,032,806 s**

Date	Description	Amount (s)	Balance (s)
09 Nov	Payroll credit: Titan Methane Works	+296,682	71,975,904
	A correction to last month's credit from Titan Methane Works. It was shown as received on the 9th, when it had arrived on the 9th of the month before, by the employer's clock. The earlier date has been removed and the sum left as it was. Ref. CIBT-3003-CD69-4		
09 Nov	ATM withdrawal: Luna	-259,200	71,716,704
	The withdrawal was held 28 Standard days at Luna while a second relay was found to confirm the first. The first had been confirmed by an operator who had since gone to another world, and the second confirmation came down the line within the hour. Ref. CIBT-3003-E48D-3		
23 Nov	Transfer to own account: Luna	-5,708,215	66,008,489
	This fee sat at the Hall E counter for 30 days because the officer who takes sundries had been reassigned to the second floor and had taken the stamp with them. The stamp has since come back down, and the fee was stamped on the 23rd. Ref. CIBT-3003-6A0A-0		
27 Nov	ATM withdrawal: Luna	-172,800	65,835,689
	The 27th of every month brings the draw of 2 Standard days, which the machine dispenses at the same minute as the local bell for the first shift. Nobody has asked the machine to do this. It keeps its own timetable. Ref. CIBT-3003-CC01-9		
30 Nov	Interest at 3.30% APY	+197,117	66,032,806
	You check the interest figure against your own arithmetic before the statement is posted, every month since 2999. In the one month you disagreed, the Bank's figure was right by 17 seconds, and you wrote to say so before anyone had asked. Ref. CIBT-3003-B077-2		

Closing balance, month by month

December 3002 November 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
