Date	Description	Amount (s)	Balance (s)
03 Mar	Lyric Licensing Desk	-116,126	35,257,415
	The Audit Committee sampled this licence in the quarter and checked its renewal dates against the register, which agreed. It did not read the verse; the Committee's rules say it need not, and it has never been tempted. Ref. CIBT-3003-550F-2		
11 Mar	Slippage fee (Singapore Sector, 3 transfers)	-900	35,256,515
	Each crossing is rounded to the nearest second on the way out and again on the way back, so that a return journey costs one second more than its two legs added together. The relay keeps the second. Ref. CIBT-3003-A698-0		
14 Mar	Transfer to own account: Singapore Sector	-147,222	35,109,293
	The sundry was credited 28 days late, as an Imbrel brood paid its dues in unhatched afternoons. The date on the slip stands for the purposes of interest. Ref. CIBT-3003-196F-8		
31 Mar	Interest at 4.90% APY	+144,441	35,253,734
	The 31st line was keyed from a pencil draft in which the sixth digit of the rate had been written as a 3 and corrected to an 8 without initials. The rate is 4.90% APY, the interest has been worked again from it, and the 28 seconds the error cost you are credited below. Ref. CIBT-3003-F29B-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
