Date	Description	Amount (s)	Balance (s)
06 Jan	ATM withdrawal: Montréal Sector	-259,200	165,958,241
	A withdrawal of 259,200 at Montréal Sector was made in days and counted at Hall E in seconds. The Bank does not regard the change of unit as a loss, only as a journey, and the journey took 20 minutes. Ref. CIBT-3022-F554-7		
14 Jan	Memory Vault: box 74-680, quarter	-259,200	165,699,041
	The firm's courier brings the quarter's rent for box 74-680 to the desk on the 14th, wrapped in the firm's paper and tied with its tape. The Vault keeps the paper, which it says is the firm's only contribution to the box's upkeep. Ref. CIBT-3022-19B9-8		
21 Jan	Transfer to joint account	-446,174	165,252,867
	Cards signed by each holder in 3019 were checked against one another, and one was found signed on its reverse. The Bank has been asked not to correct the side, since both holders say the reverse is where the card is read from. Ref. CIBT-3022-628C-6		
25 Jan	Transfer to own account: Montréal Sector	-2,763,633	162,489,234
	The charge for a second copy of your 3019 statement is half what it would have been, because the first copy was delayed at Montréal Sector and the delay was ours. Ref. CIBT-3022-FFD2-7		
26 Jan	ATM withdrawal: Montréal Sector	-259,200	162,230,034
	Some months the relay takes so long to answer at Montréal Sector that the cash is paid before the question has been finished, and the Bank has no rule about it. Ref. CIBT-3022-2956-3		
31 Jan	Interest at 4.90% APY	+678,721	162,908,755
	The auditors flagged this line for a rounding that was out by one second in 15 years. The Bank traced it to the day the Pallas Ring 10 branch first opened and has, with some regret, left it where it was. Ref. CIBT-3022-D76D-4

February 3021 January 3022

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
