| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 02 Mar | Slippage fee (Titan, 5 transfers) | -4,500 | 59,652,292 |
| | A customer of long standing can predict the fee on 5 crossings to within a second. You are that customer, and the officer has stopped predicting it, to spare you the trouble of being right. Ref. CIBT-2995-253E-0 | | |
| 10 Mar | ATM withdrawal: Titan | -86,400 | 59,565,892 |
| | The withdrawal of One Standard day on the 10th was made from a machine whose service fell due the same day. The service was done in the morning and the withdrawal in the afternoon. The Bank has checked both and found them, each in its own way, sound. Ref. CIBT-2995-5704-5 | | |
| 15 Mar | Transfer to own account: Titan | -44,398 | 59,521,494 |
| | A charge for a document issued at Titan, rounded up to the next second. The officer agreed the rounding was unkind, then noted that it was the same rounding everyone else receives. Ref. CIBT-2995-8A94-7 | | |
| 17 Mar | ATM withdrawal: Titan | -259,200 | 59,262,294 |
| | The machine took 36 minutes to count out 3 Standard days, because it had been told the coins were valuable and counted each one twice. The count was correct, and the Bank has asked the machine to be less thorough without asking it to be less careful. Ref. CIBT-2995-F94F-6 | | |
| 20 Mar | Payroll credit: Harbourfront Shipping | +214,255 | 59,476,549 |
| | The payroll office's suspense heading for Harbourfront Shipping was cleared this month. Its last entry dates from 2994 and reads simply: pay not claimed. It has now been claimed, and the heading is closed. Ref. CIBT-2995-EF90-1 | | |
| 31 Mar | Interest at 4.00% APY | +198,855 | 59,675,404 |
| | At the Ceres branch interest is calculated on the local day and paid in ore-weight, which the vault converts to seconds at its own scale. The scale is visited on the first working day of the month by appointment, and the appointment is kept. Ref. CIBT-2995-7231-2 | | |

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
