Opening balance	Credits	Debits	Closing balance
36,109,139 s	**+334,618 s**	**-406,674 s**	**36,037,083 s**

Date	Description	Amount (s)	Balance (s)
05 Mar	Transfer to own account: Ganymede	-232,674	35,876,465
	You pay the sundry in exact coin, counted out on the counter in the order you were taught as a child. The officer checks each one against the next and says nothing, which is how the Bank knows it is being paid properly. Ref. CIBT-3013-8485-6		
19 Mar	ATM withdrawal: Ganymede	-172,800	35,703,665
	Note for the auditors: the withdrawal of 2 Standard days at Ganymede appears on the machine's log at the hour and on the branch ledger at the hour. Both are correct. The machine keeps its own time, and the branch keeps the other. Ref. CIBT-3013-D076-4		
22 Mar	Slippage fee (Ganymede, 2 transfers)	-1,200	35,702,465
	Harbourfront Shipping is charged slippage on the remittances it sends to your account. It pays the fee through its own books and asks the Bank to show the same figure on yours, so that both can say they were charged the same amount for the same second. Ref. CIBT-3013-73C5-5		
23 Mar	Payroll credit: Harbourfront Shipping	+214,255	35,916,720
	The Harbourfront Shipping office at Ganymede runs a shorter working week than ours, so its wages reach this branch on the day they are paid and not on the day the period ends. The Bank has not been asked to shorten yours. Ref. CIBT-3013-AB07-3		
31 Mar	Interest at 4.00% APY	+120,363	36,037,083
	The Venus Cloudport credits interest once in each local day, and a local day is long enough that the posting clerk has a week's leave after every one. The deputy posts the interest in the meantime, and it is not known whether the deputy has the same figures in mind. Ref. CIBT-3013-CF4B-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
