| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 13 Nov | Temporal Health Plan | -37,036 | 764,604,802 |
| | A physiotherapy claim filed through the occupational clinic of Belt Ore Consolidated was paid in full, though the clinic had sent it under the company's name rather than yours. The plan has noted the mistake and kept the money, which it regards as the company's to explain. Ref. CIBT-3003-B28A-5 | | |
| 19 Nov | Transfer to own account: Kepler Ring | -39,119,997 | 725,484,805 |
| | Rounding of 39,119,997 on the transfer to Kepler Ring. The branch rounds in the customer's favour where it can and in the Bank's favour where it cannot. On this occasion it could. Ref. CIBT-3003-27E8-8 | | |
| 20 Nov | ATM withdrawal: Kepler Ring | -172,800 | 725,312,005 |
| | Taken out on the morning Belt Ore Consolidated posted your pay, at Kepler Ring. Cash taken on the day wages arrive is, the officer on the concourse says, the oldest arrangement on the platform, and the machine has never asked for an explanation. Ref. CIBT-3003-0EE7-9 | | |
| 22 Nov | Turbulence Cover | -12,901 | 725,299,104 |
| | Kepler Ring prices its cover in whole turns, so a short crossing was charged the full turn at each departure. The cover has since been adjusted to half a unit for the very short ones, which the local underwriter describes as a discount for brevity. Ref. CIBT-3003-03CF-4 | | |
| 24 Nov | Slippage fee (Kepler Ring, 1 transfers) | -300 | 725,298,804 |
| | Every transfer you send carries a note asking whether it arrived, and the relay answers each one before you have finished writing it. You have never read the answer, only the time on it. Ref. CIBT-3003-8E9C-7 | | |
| 27 Nov | Payroll credit: Belt Ore Consolidated | +8,462,424 | 733,761,228 |
| | The Belt Ore Consolidated office at Kepler Ring observed a day of silence, and the wage waited through it. It was released when the silence ended, with the interest for the day added in full. Nobody has asked what the silence was for. Ref. CIBT-3003-FD5B-5 | | |
| 30 Nov | Interest at 4.20% APY | +2,676,246 | 736,437,474 |
| | Monthly interest was rounded to the second and the balance to the minute, so the balance shown is 45 seconds above what the interest adds up to. The officer confirms that the balance is the one you may spend and the interest is the one you were paid, and that the two are not required to agree. Ref. CIBT-3003-7669-8 | | |

### Closing balance, month by month

December 3002 November 3003

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
