| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 11 Sep | ATM withdrawal: Oakland Sector | -86,400 | 621,078,106 |
| | A withdrawal of 86,400 at Oakland Sector was made in days and counted at Hall E in seconds. The Bank does not regard the change of unit as a loss, only as a journey, and the journey took 3 minutes. Ref. CIBT-3003-018D-9 | | |
| 11 Sep | Deposit: Hall E | +58,629,042 | 679,707,148 |
| | You deposit the coins loose in a cloth bag, which the counter weighs before opening it, and the officers now treat the weight as the first figure on the slip. Ref. CIBT-3003-78D1-6 | | |
| 15 Sep | Slippage fee (Oakland Sector, 5 transfers) | -4,500 | 679,702,648 |
| | The relay at Oakland Sector apologised for the delay in writing, and the Bank considers a written apology to be a form of payment. No fee is due on the 5 crossings this month. Ref. CIBT-3003-6D3F-1 | | |
| 26 Sep | Payroll credit: the Lagrange Four Commissary | +8,100,862 | 687,803,510 |
| | A payroll credit of 8,100,862 arrived at a weekend when the Bank was not open, and was kept in the night safe until the next working day. The night safe was asked afterwards how it had slept, and did not say. Ref. CIBT-3003-59E6-1 | | |
| 30 Sep | Interest at 3.50% APY | +1,811,729 | 689,615,239 |
| | The statement shows interest to the second. The balance itself is held to the tenth, so the figure printed is a rounding of the figure used. The difference goes to the Bank's favour in each month and to yours in each year, which is the arrangement the Bank describes as balanced. Ref. CIBT-3003-5A3A-2 | | |

## Closing balance, month by month

Highest 910,949,403 s · lowest 574,540,736 s

October 3002 — September 3003

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
