Opening balance	Credits	Debits	Closing balance
74,184,896 s	**+1,281,194 s**	**-10,490,593 s**	**64,975,497 s**

Date	Description	Amount (s)	Balance (s)
07 Aug	ATM withdrawal: Io	-259,200	73,925,696
	Ivo Pemberton remarks that the machine has been dispensing for longer than the branch has had a name, and has never once asked to be thanked. Ref. CIBT-2983-B08C-1		
09 Aug	Temporal Health Plan	-35,771	73,889,925
	Monthly premium, paid by standing order on the 9th since 2978. The plan has not changed the sum in that time and expects to keep it that way for as long as you keep your cover. Ref. CIBT-2983-9E46-6		
23 Aug	Payroll credit: Phobos Drydock	+984,455	74,874,380
	Phobos Drydock adds a travel allowance of 14 seconds to each wage on the last working day, so the figure is always a little more than the figure you expected. The firm describes this as its way of saying good morning. Ref. CIBT-2983-0F73-8		
25 Aug	Slippage fee (Io, 7 transfers)	-6,300	74,868,080
	You send the same 7 transfers on the first working day of every month, and the fee has come to 0.30 s on each of your last 27 statements. An officer has noticed that you check the figure before you send, and has stopped suggesting otherwise. Ref. CIBT-2983-74F5-4		
30 Aug	Transfer to own account: Io	-10,189,322	64,678,758
	Note for the auditors: the sundry credit from Io was converted at the rate in force on the day it was sent, not the day it arrived. The two rates differ by 0.962. The conversion follows the terms, and nothing further is required. Ref. CIBT-2983-59C5-4		
31 Aug	Interest at 4.80% APY	+296,739	64,975,497
	You asked the branch to stop sending the interest line in an envelope, and it now sends it in a second envelope instead. The Teller has kept both and asks whether you would prefer a third. Ref. CIBT-2983-0319-9		

Closing balance, month by month

September 2982 August 2983

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
