Date	Description	Amount (s)	Balance (s)
14 Aug	Temporal Health Plan	-31,909	100,684,408
	Pharmacy supply from New Orleans Sector, shipped on a day schedule and received here 28 days later, on ours. The plan treats the supply as delivered on the day it left, since the medicine did not notice the difference. Ref. CIBT-2985-08AB-1		
16 Aug	Transfer to own account: New Orleans Sector	-7,196,859	93,487,549
	You bring your sundry slips to the Hall E counter in one envelope on the last working day of each quarter, and the officers now collect them from you at the door. Ref. CIBT-2985-320D-3		
17 Aug	ATM withdrawal: New Orleans Sector	-259,200	93,228,349
	You have never taken the card out of the slot before the machine has said goodbye. The officer on duty relies on this, and calls it the most courteous exchange at the concourse. Ref. CIBT-2985-C89B-2		
19 Aug	Payroll credit: Phobos Drydock	+984,455	94,212,804
	The wage waited 31 days for a supervisor who was on a long shift and could sign only when it ended. The supervisor signed on the 19th, and the credit went out the same hour. Ref. CIBT-2985-FB17-6		
21 Aug	ATM withdrawal: New Orleans Sector	-259,200	93,953,604
	The standing draw of 3 Standard days from New Orleans Sector is set for the 21st and has run without interruption since the machine was installed. The machine has been replaced twice, and the draw was carried across to each new one by hand. Ref. CIBT-2985-A9B5-7		
31 Aug	Interest at 4.80% APY	+402,865	94,356,469
	Each month you ask for the interest figure to be read aloud at the counter, and then ask for it again, more slowly. The Teller obliges both times and asks us to note that you have never disputed a single digit. Ref. CIBT-2985-00A2-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
