Opening balance	Credits	Debits	Closing balance
104,601,197 s	**+1,402,859 s**	**-4,902,349 s**	**101,101,707 s**

Date	Description	Amount (s)	Balance (s)
13 Sep	Temporal Health Plan	-18,742	104,582,455
	Each year you ask whether the cover could be extended to a second opinion, and each year the plan says that it could. You have not yet asked for one, which the plan regards as the sign of a confident member. Ref. CIBT-2986-77FC-4		
21 Sep	Payroll credit: Phobos Drydock	+984,455	105,566,910
	The Phobos Drydock credit was held for 28 days in the Bank's suspense account because the remitter's reference did not match its contract. The reference was corrected by the remitter's own office, which apologised, and the wage has been released with the days' interest. Ref. CIBT-2986-1E31-5		
25 Sep	ATM withdrawal: Lagos Sector	-259,200	105,307,710
	The officer on the concourse counted the notes back to you in front of the machine and found them correct. She mentions this only because you did not look at them while she was doing it. Ref. CIBT-2986-6127-5		
29 Sep	Transfer to own account: Lagos Sector	-4,624,407	100,683,303
	Settlement of a Chrono-Forex deal at the posted rate for the day. Your instructions were clear; the rate was not, and the Bank has taken the rate that was posted, as it is obliged to. Ref. CIBT-2986-7CAC-1		
30 Sep	Interest at 4.80% APY	+418,404	101,101,707
	Your interest was credited on the 30th at Lagos Sector, where the day is set by the station's own sun, so the day it was credited was shorter than yours and the difference of 52 seconds was taken off as the station's charge. The charge is shown on its own line, and the sun has been informed. Ref. CIBT-2986-E435-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
