Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
75,796,258 s	**+1,287,640 s**	**-6,827,783 s**	**70,256,115 s**

Date	Description	Amount (s)	Balance (s)
05 Dec	Temporal Health Plan	-37,884	75,758,374
	Your claim for 10 sessions reached the plan's desk on the 5th, though the sessions were given in the first week of the month. The courier came by the slow road from New Orleans Sector, and the plan has paid the claim on the day it arrived, which it regards as the only honest date it has. Ref. CIBT-2986-6622-5		
09 Dec	Payroll credit: Phobos Drydock	+984,455	76,742,829
	Your Phobos Drydock wage is held back 56 percent against the cost of a uniform, which the office returns on the day the uniform is handed in. The uniform came back on the 9th, and the sum was released with the employer's regret for the cut. Ref. CIBT-2986-F9B6-4		
09 Dec	Transfer to own account: New Orleans Sector	-6,530,699	70,212,130
	A sundry raised on the 9th was not posted until 29 days later, because the officer who posts sundries had been lent to the quarterly count and could not be spared. The count was correct, and so is the sundry. Ref. CIBT-2986-7B2C-5		
10 Dec	ATM withdrawal: New Orleans Sector	-259,200	69,952,930
	A customer asked the Teller on the 10th whether the machine at New Orleans Sector would keep working if the Bank closed. The Teller said it would, and that it had been working for 6 years before the Bank was open to anyone. Ref. CIBT-2986-7769-8		
31 Dec	Interest at 4.80% APY	+303,185	70,256,115
	You asked for the interest to be paid at one step above the posted rate, on the grounds that you had seen the step on a staircase at New Orleans Sector. The Bank has declined, on the grounds that interest does not climb. Ref. CIBT-2986-BF8B-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
