Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
89,566,667 s	**+6,056,850 s**	**-206,351 s**	**95,417,166 s**

Date	Description	Amount (s)	Balance (s)
05 May	Deposit: Hall E	+4,714,129	94,280,796
	You ask the Teller at Hall E for the name of the officer who will count your deposit, and you never ask for the same name twice. The officers have agreed among themselves to take turns, and keep a note of whose turn it is. Ref. CIBT-2987-F4A3-6		
11 May	Temporal Health Plan	-33,551	94,247,245
	The annual deductible is rounded to the whole day on the first of the year, and any remainder is carried forward. This year the remainder was 0.956, and the plan carried it with the air of an institution that has solved something. Ref. CIBT-2987-7F46-9		
19 May	ATM withdrawal: Bronx Sector	-172,800	94,074,445
	The receipt for the 19th was posted 31 days late, because the relay at Bronx Sector wished to be sure the machine had not been asked the same question twice. It had not. The relay was satisfied, and has asked for the question to be recorded in case it arrives again. Ref. CIBT-2987-6DDC-5		
21 May	Payroll credit: Phobos Drydock	+984,455	95,058,900
	Your wages from Phobos Drydock are rounded down each month to the whole day, and the remainder goes into a staff reserve. The reserve is kept under a seal that has not been broken for the year and paid out in a single sum. This year it came to 0.967 of one day, and the payroll office has asked whether you would like it in cash or added to next year's pay. Ref. CIBT-2987-6A0F-5		
31 May	Interest at 4.80% APY	+358,266	95,417,166
	The Teller asks whether you would like the interest paid out or left on deposit. You have said deposit every month since your first statement, and she has written it down so you will not be asked again. Ref. CIBT-2987-D542-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
