Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
107,614,297 s	**+1,414,912 s**	**-1,761,743 s**	**107,267,466 s**

Date	Description	Amount (s)	Balance (s)
17 Aug	Transfer to own account: Kepler Ring	-1,743,200	105,871,097
	Phobos Drydock sent a sundry to pay for the postage of its annual report, addressed to you, with a note asking you to read the report before it is posted. The Bank posted the sundry and the report. The report is still unread. Ref. CIBT-2992-CCFB-4		
18 Aug	Slippage fee (Kepler Ring, 1 transfers)	-300	105,870,797
	This transfer waited 30 days because a fault in the relay's locking gear held it. The gear has been replaced, and the fault has been recorded against the relay rather than the transfer, which was sent on time. Ref. CIBT-2992-996C-9		
19 Aug	Temporal Health Plan	-18,243	105,852,554
	The consultation at Kepler Ring took place on the local day, which runs 28 Standard days longer than ours. The plan has not paid for the extra days. The clinic has asked whether they might be credited to the patient's rest, and the plan has said it will consider the request if it is made in writing. Ref. CIBT-2992-3D64-9		
29 Aug	Payroll credit: Phobos Drydock	+984,455	106,837,009
	Phobos Drydock sends a wage in the form of a voucher redeemable at its own canteen. The Bank converts the voucher at the posted rate and credits it in seconds. The canteen has been asked to accept seconds in return and has said it will think about it. Ref. CIBT-2992-8D2F-8		
31 Aug	Interest at 4.80% APY	+430,457	107,267,466
	Interest was worked out on the counter's slide rule and then, at the customer's request, again on the terminal. The two came out a second apart, and the Bank has used the terminal's figure out of deference to the abacus. Ref. CIBT-2992-9D10-6

September 2991 August 2992

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
