Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
136,588,138 s	**+1,530,807 s**	**-13,513,694 s**	**124,605,251 s**

Date	Description	Amount (s)	Balance (s)
14 Aug	ATM withdrawal: Europa	-86,400	136,501,738
	The machine's log for the 14th was checked against the custodian's count and this statement. All three agree to the unit. The one entry marked unusual records only that the cash was counted in daylight. Ref. CIBT-2994-3211-5		
16 Aug	Transfer to own account: Europa	-13,289,809	123,211,929
	A refund of 13,289,809 came in from Tamsin Ostrander in a jam jar with a screw lid and a dry label, with a note reading only "for the coffee". The Bank has posted it under refunds, since the coffee was never bought at the counter, and the officer has asked Tamsin Ostrander whether the coffee was worth it. Ref. CIBT-2994-C11C-8		
23 Aug	Temporal Health Plan	-43,885	123,168,044
	You bring every receipt to the counter in the order you received it, not the order it is dated, and the officer sorts them back by date while you watch. Both orders are kept in the file and neither is preferred. Ref. CIBT-2994-B308-7		
24 Aug	ATM withdrawal: Europa	-86,400	123,081,644
	At Europa the machine asks for the account number in the local form, which the Bank has translated into its own. The two forms agree on every digit and disagree about the day, and the machine settles the difference by paying out. Ref. CIBT-2994-2779-3		
25 Aug	Payroll credit: Phobos Drydock	+984,455	124,066,099
	The payroll audit asks for unclaimed wage credits to be listed against each employee. Yours, dated the 25th, was kept under the blotter, beside the spare ink until you claimed it, and the line is now closed. Ref. CIBT-2994-F997-5		
30 Aug	Slippage fee (Europa, 8 transfers)	-7,200	124,058,899
	The relay at Europa takes its reference from a station that is itself moving, so each transfer is recorded against the station's position on the day it was sent. This one was sent from the right place, and the fee of 7,200 s stands. Ref. CIBT-2994-7CC8-1		
31 Aug	Interest at 4.80% APY	+546,352	124,605,251
	Audit note: the accrued interest on this account has been traced to its source, the Head Office's own posting, and back through 35 earlier statements without a break. The auditors say a break would have been easier to explain. Ref. CIBT-2994-926F-7		

Closing balance, month by month

September 2993 August 2994

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
