Period 1–31 March 2999
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
144,440,385 s	**+1,737,526 s**	**-470,329 s**	**145,707,582 s**

Date	Description	Amount (s)	Balance (s)
02 Mar	ATM withdrawal: Singapore Sector	-172,800	144,267,585
	A withdrawal entered on the 2nd as cash was in fact an advance against your next wage, paid by the machine under its own name. The line has been moved to the advances heading, where it was always going to end up. Ref. CIBT-2999-2B82-3		
03 Mar	Payroll credit: Phobos Drydock	+984,455	145,252,040
	The amount is less than last month, since Phobos Drydock has moved part of its payroll to Singapore Sector, where it is paid in days and converted on arrival. Ref. CIBT-2999-4F04-3		
09 Mar	Deposit: Hall E	+175,310	145,427,350
	"Deposits are the only part of the Bank that arrive," the Teller says, "and they tend to arrive with rather less than they promised." Ref. CIBT-2999-3E8A-2		
18 Mar	Temporal Health Plan	-38,329	145,389,021
	Your premium is set aside from Phobos Drydock's payroll before your wages are counted, so the figure you see is what remains. The Plan describes this as the proper order of care, and has never once been asked to explain it. Ref. CIBT-2999-6E52-7		
19 Mar	ATM withdrawal: Singapore Sector	-259,200	145,129,821
	Correction explained: the receipt for your 3 Standard days withdrawal at Singapore Sector gave the time as the machine's own clock, which was 2 seconds fast. The withdrawal is recorded at the branch clock, which is the one that counts for statements. Ref. CIBT-2999-47C5-8		
31 Mar	Interest at 4.80% APY	+577,761	145,707,582
	The monthly service charge on this balance has been waived. Interest is credited to the second, and the Bank sees no cause to take a fee from time that was earned while you were asleep. Ref. CIBT-2999-30EE-8

April 2998 March 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
