Account 8564-9804-7708
Period 1–31 January 3002
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
188,018,459 s	**+1,736,528 s**	**-613,480 s**	**189,141,507 s**

Date	Description	Amount (s)	Balance (s)
02 Jan	ATM withdrawal: Singapore Sector	-172,800	187,845,659
	The machine misread a signature as a second attempt and debited the withdrawal twice. The officer's log shows the second was refused. The account has been credited the duplicate in full, with the machine's apology. Ref. CIBT-3002-3791-9		
08 Jan	Slippage fee (Singapore Sector, 1 transfers)	-300	187,845,359
	The 0.30 s on this line is the crossing's share of the relay's upkeep, not the crossing itself. The upkeep is set by the posted rates, and it is the only part of the fee the Bank does not set. Ref. CIBT-3002-4003-6		
11 Jan	Transfer to own account: Singapore Sector	-400,244	187,445,115
	A figure printed on your last statement as 400,244 should have read 4 d 15:10:44. The two are the same sum in different units, and this statement now shows the one the Bank pays in. Ref. CIBT-3002-040C-2		
12 Jan	Payroll credit: Phobos Drydock	+984,455	188,429,570
	Last statement's pay line gave the employer's name where the remitter reference should have been. The reference has been restored. The payment itself was correct, and nothing has moved. Ref. CIBT-3002-7B14-9		
30 Jan	Temporal Health Plan	-40,136	188,389,434
	Note for the internal review: the reimbursement of 40,136 matches the provider's invoice to the cent and the plan's ledger to the second. Both were checked on the morning the review began. Ref. CIBT-3002-4E03-7		
31 Jan	Interest at 4.80% APY	+752,073	189,141,507
	Asked for the figure, the Teller reads it aloud, then offers the other figure, the one the Bank does not print. You declined, and she has written that down. Ref. CIBT-3002-4CF6-0		

Closing balance, month by month

February 3001 January 3002

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
