Date	Description	Amount (s)	Balance (s)
07 May	Temporal Health Plan	-40,735	155,151,854
	The dental reimbursement from Lagos Sector was paid by the local office in days, which sent back the difference by the next post, folded into the envelope with the receipt. The plan has kept the two as a single document, which is how they arrived. Ref. CIBT-3002-A0F0-8		
18 May	Transfer to own account: Lagos Sector	-2,978,570	152,173,284
	Lagrange posts its sundries at the close of its own shift, which is not the close of the day. This one was posted at the start of a shift the Head Office does not keep, and no one has yet asked for it back. Ref. CIBT-3002-AADD-3		
19 May	Slippage fee (Lagos Sector, 2 transfers)	-600	152,172,684
	The Lagos Sector branch reckons slippage in the local days and passes the result on unrounded. The Head Office rounds it to the second. The branch has asked for the rounding to be stated on the statement, and it has been, in small type. Ref. CIBT-3002-F098-8		
21 May	ATM withdrawal: Lagos Sector	-86,400	152,086,284
	The withdrawal of One Standard day was held 29 days at Lagos Sector because the receipt paper had been ordered in the wrong colour for the Standard calendar. The receipt has been reprinted, and the cash was in the drawer the whole time. Ref. CIBT-3002-A03E-0		
31 May	Interest at 4.80% APY	+620,770	152,707,054
	The interest for 2 days has been paid without the usual charge on a balance held at a branch other than your own. The charge was waived because the balance was never in any branch: it was in transit, and transit is not charged. Ref. CIBT-3002-5361-4		

Closing balance, month by month

June 3001 May 3002

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
