Anouk Bracegirdle
Unit 106, Pallas Ring 10

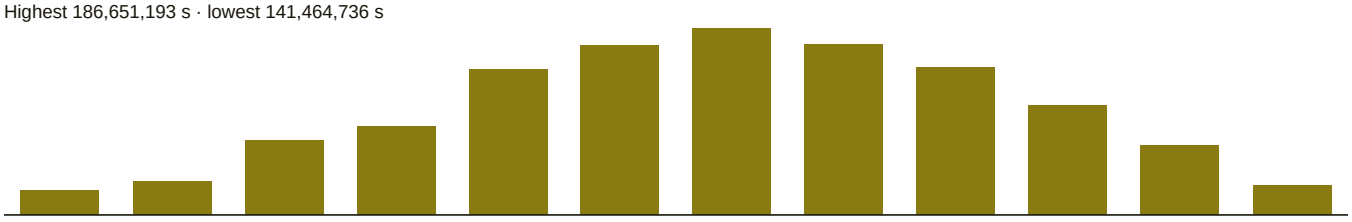

Account 8564-9804-7708
Period 1–31 August 3005
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
154,046,135 s	**+1,600,639 s**	**-12,685,346 s**	**142,961,428 s**

Date	Description	Amount (s)	Balance (s)
01 Aug	Transfer to own account: Mars Station	-12,472,388	141,573,747
	The second officer signed this adjustment with the same pen as the last one, and asks that the pen be retired. Nobody has yet said where it should go. Ref. CIBT-3005-7887-2		
06 Aug	ATM withdrawal: Mars Station	-172,800	141,400,947
	You take exactly 2 Standard days from the machine at Mars Station on the 6th of each month, and ask that the notes be folded once rather than twice. The custodian has begun to fold them in advance and leave them on the tray. Ref. CIBT-3005-5A2A-3		
06 Aug	Temporal Health Plan	-39,258	141,361,689
	You have claimed for the same check-up every second year since the Plan began, on the same day of the year. The Plan has put it in its calendar, and the clinic sends a reminder in your name. Ref. CIBT-3005-183C-3		
12 Aug	Payroll credit: Phobos Drydock	+984,455	142,346,144
	Phobos Drydock has changed its name, its colour and its opinion of the Authority in the last decade, but its wage day has not moved from the last working day of the month. The payroll office describes this as the one thing it has never seen a reason to revisit. Ref. CIBT-3005-E649-2		
21 Aug	Slippage fee (Mars Station, 1 transfers)	-900	142,345,244
	The short route was closed for 30 Standard days, so your 1 transfers went the long way round at no extra charge, the Bank having decided the long way was its own fault. Ref. CIBT-3005-35A5-2		
31 Aug	Interest at 4.80% APY	+616,184	142,961,428
	You have left the interest on deposit since the statement began and have never asked for it to be paid out. The Bank has come to regard this as a considered view, and has not tried to change it. Ref. CIBT-3005-BAA2-6		

Closing balance, month by month

September 3004 August 3005

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
