| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 11 Jan | ATM withdrawal: London Sector | -259,200 | 121,635,119 |
| | The receipt gave the time in the local hour at London Sector, and your statement gives ours. Neither is wrong. The two have been printed side by side, for convenience. Ref. CIBT-3014-2DE5-0 | | |
| 14 Jan | Payroll credit: Phobos Drydock | +984,455 | 122,619,574 |
| | Pay from Phobos Drydock was rounded down to the whole day, as the rounding rule requires for salary paid in days. The 0.942 left over has been carried to next month's statement, where it will be rounded again. Ref. CIBT-3014-D24F-0 | | |
| 15 Jan | Temporal Health Plan | -41,495 | 122,578,079 |
| | Your claim was delayed by the replacement of a scanner at the provider's office, which took 31 days to arrive from London Sector. The scanner is installed, and the claim was read on the first day it could be. Ref. CIBT-3014-A3EC-2 | | |
| 22 Jan | Deposit: Hall E | +1,363,652 | 123,941,731 |
| | A deposit from a regular customer from the next street, marked "return of the umbrella", has been entered as 1,363,652 with no further description. The Bank has taken no view on the umbrella. Ref. CIBT-3014-C87F-8 | | |
| 31 Jan | Interest at 4.80% APY | +487,577 | 124,429,308 |
| | Interest on a balance of less than a whole second is not rounded at all, the Bank's view being that a small sum is already close enough to the truth. The figure above is therefore exact. Ref. CIBT-3014-1678-4 | | |

## Closing balance, month by month
