Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
106,105,740 s	**+1,408,877 s**	**-5,317,984 s**	**102,196,633 s**

Date	Description	Amount (s)	Balance (s)
02 Jun	Temporal Health Plan	-26,160	106,079,580
	The plan's first letter about this claim was addressed to your previous address on the far side of the square. It came back opened, with a note in the margin saying the address had been correct the year before. The claim is paid in full, and the letter has been filed with the note. Ref. CIBT-3017-BA55-0		
05 Jun	Transfer to own account: London Sector	-5,290,024	100,789,556
	Paid to Tamsin Ostrander through this account on the 5th, with a note that reads only "for the rest of it". The Bank has forwarded the money and the note, and has no means of knowing what the rest is. Ref. CIBT-3017-3E96-4		
06 Jun	Slippage fee (London Sector, 3 transfers)	-1,800	100,787,756
	Your employer rounds its own slippage to the hour and passes the difference to you, which this month came to 600 seconds. It will appear on the next line of your statement, where the Bank has taken care to put it. Ref. CIBT-3017-25E1-4		
07 Jun	Payroll credit: Phobos Drydock	+984,455	101,772,211
	You have asked three times for the wage to be paid into the joint account. The branch has written three times to say it is already in yours, and you have not contested the answer, which the branch records as agreement, though it would have liked a word. Ref. CIBT-3017-A9FC-2		
30 Jun	Interest at 4.80% APY	+424,422	102,196,633
	At the firm's request, the Phobos Drydock line is paid in days and converted at the close, since the firm keeps its books on that unit. The rounding goes to the firm, which has asked us not to mention it. Ref. CIBT-3017-37E3-9		

Closing balance, month by month

July 3016 June 3017

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
