Date	Description	Amount (s)	Balance (s)
07 Jan	Deposit: Hall E	+5,654,045	67,729,082
	A deposit of 5,654,045 arrives at Hall E on the last working day of each quarter from a source the Bank has been asked not to name. Each time it is counted by the same officer, who now counts it before the slip is written. Ref. CIBT-3018-EA18-3		
12 Jan	Temporal Health Plan	-18,706	67,710,376
	The claim for 60 hours of physiotherapy was held 29 days while the plan confirmed that the physiotherapist was the person named on your cover. The plan was satisfied on the 12th, and the claim was paid that afternoon. Ref. CIBT-3018-7E5C-8		
16 Jan	New Time™ exchange	+3,063	67,713,439
	You fold the New Time™ envelope in half before you set it on the counter and unfold it again, every visit, as if checking that the notice has not changed its mind about its creases. Ref. CIBT-3018-520D-3		
20 Jan	ATM withdrawal: Phobos	-86,400	67,627,039
	The machine took 46 minutes to count out One Standard day, because it had been told the coins were valuable and counted each one twice. The count was correct, and the Bank has asked the machine to be less thorough without asking it to be less careful. Ref. CIBT-3018-5EB7-7		
26 Jan	Payroll credit: Phobos Drydock	+984,455	68,611,494
	"Wages are wages," the officer says, "even when they land before the work has been done." The slip is stamped twice, once for the day it was paid and once for the day it was earned, and the second stamp is the one that stays on the file. Ref. CIBT-3018-56AE-5		
31 Jan	Interest at 4.80% APY	+248,300	68,859,794
	The half-second rule is old: half up on the first working day of the month and half down on every other. This period closed on the first working day, so the odd half-second has gone to you, and the officer has noted it in the margin in pencil. Ref. CIBT-3018-E6B0-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
