Opening balance	Credits	Debits	Closing balance
182,847,465 s	**+1,610,335 s**	**-9,461,497 s**	**174,996,303 s**

Date	Description	Amount (s)	Balance (s)
06 Jan	Payroll credit: Kepler Ring Hydroponics	+863,708	183,711,173
	The credit from Kepler Ring Hydroponics crossed from the Vancouver Sector station by light-speed courier, which took 31 days and charged the Bank nothing for the trouble. The courier's log shows the pay was ready on time. The courier was not. Ref. CIBT-3025-A867-2		
11 Jan	Memory Vault: box 22-283, quarter	-259,200	183,451,973
	When Kepler Ring Hydroponics moved its offices to Vancouver Sector, it asked the Vault to move a box of its records to the same sub-level as yours, so that the two could be inspected together. The Vault agreed, and the custodian has put both boxes at the back, where the light is poor and nobody has to ask. Ref. CIBT-3025-FD2E-9		
14 Jan	Transfer to own account: Vancouver Sector	-9,029,497	174,422,476
	The Vancouver Sector transfer desk takes sundry instructions only in days, so this sum was converted twice: once at the window and once at the Head Office. The two results were a second apart, and the second has been retained by the Bank. Ref. CIBT-3025-92F4-1		
27 Jan	ATM withdrawal: Vancouver Sector	-86,400	174,336,076
	A withdrawal of One Standard day was taken, and the machine printed 86,400 on the receipt. The two figures are the same sum in different units, and the Bank reconciled them to the second on the 27th. Ref. CIBT-3025-45FA-2		
30 Jan	ATM withdrawal: Vancouver Sector	-86,400	174,249,676
	Kepler Ring Hydroponics has set your withdrawal limit at One Standard day a day since 3024, at its own request and for reasons it has not shared. The limit is printed on each receipt beside your name, as it has been from the start. Ref. CIBT-3025-EFA5-9		
31 Jan	Interest at 4.90% APY	+746,627	174,996,303
	Interest for the 31st waited 29 days in the suspense ledger, which is where interest goes when a rate has been announced but not yet written down. The rate is now written down, and the interest has been paid with the days on it. Ref. CIBT-3025-C7A0-7		

Closing balance, month by month

February 3024 — January 3025

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
