31 May	Interest at 4.90% APY	+688,222	169,072,862
	Auditors' query on the 4.90% rate: the figure is the same on this statement as on the Head Office's copy. The question was whether the rate had been applied to the whole balance or only the part held for a full month. It was applied to the whole, and the auditors have initialled the answer. Ref.
