Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
117,502,120 s	**+1,343,508 s**	**-5,990,458 s**	**112,855,170 s**

Date	Description	Amount (s)	Balance (s)
04 Jan	ATM withdrawal: Mars Station	-172,800	117,329,320
	The Audit Committee sampled this line and asked for the machine's own timestamp to be set against the branch's. The two differ by 32 seconds, which is within the tolerance set for the concourse and is recorded as tolerated, not as explained. Ref. CIBT-3029-05D5-8		
14 Jan	Slippage fee (Mars Station, 6 transfers)	-5,400	117,323,920
	Kepler Ring Hydroponics moved its settlement desk to Mars Station in 3025, and since then your slippage has run a day longer on each crossing. The change was not notified to the Bank, which learned of it from the fee. Ref. CIBT-3029-2ADF-9		
25 Jan	Payroll credit: Kepler Ring Hydroponics	+863,708	118,187,628
	Your wage from Kepler Ring Hydroponics is paid on the last working day, but the firm keeps a second pay day for its own accounts. On that day it sends the Bank a slip with nothing on it but the words "for your records", and the slip is filed with your records. Ref. CIBT-3029-65B6-3		
27 Jan	ATM withdrawal: Mars Station	-172,800	118,014,828
	You take your cash in one step and then stand a moment with the receipt unread, as a man might pause in a doorway. The officer has allowed the pause to be recorded as part of the transaction. Ref. CIBT-3029-0EBD-7		
27 Jan	Memory Vault: box 22-283, quarter	-259,200	117,755,628
	The receipt shows the rent in sols and the humidity in seconds, a pairing the holder finds unhelpful and the custodian finds exact. Both figures are correct, and the statement keeps them on separate lines. Ref. CIBT-3029-40D6-8		
28 Jan	Transfer to own account: Mars Station	-5,380,258	112,375,370
	Your sundry crossed a Standard Day boundary in the middle of its posting, and so was held for 31 days in the hope that it would cross back. It did not, and was posted on the far side, where it had been all along. Ref. CIBT-3029-999E-6		
31 Jan	Interest at 4.90% APY	+479,800	112,855,170
	Interest for 4 months, credited on the first morning of each period before the branch has opened. You stand outside the door each time, the officers have asked you to wait inside, and you have explained that you are not waiting. Ref. CIBT-3029-2484-6		

Closing balance, month by month

February 3028 January 3029

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
