Opening balance	Credits	Debits	Closing balance
20,011,654 s	**+1,186,660 s**	**-266,400 s**	**20,931,914 s**

Date	Description	Amount (s)	Balance (s)
02 Aug	ATM withdrawal: Tallinn Sector	-172,800	19,838,854
	Brymar College has asked that its staff's cash-time be drawn in a single sum at the start of the month. You are the only member of staff who has asked the machine to split it, and it has agreed, on your account, twice. Ref. CIBT-3012-4861-9		
13 Aug	Payroll credit: Brymar College	+201,554	20,040,408
	Your charge for an early credit from Brymar College was dropped at the counter. The money had arrived before the period it paid for, and the Bank holds that a wage which comes early should not be fined for its enthusiasm. Ref. CIBT-3012-556C-5		
15 Aug	Slippage fee (Tallinn Sector, 8 transfers)	-7,200	20,033,208
	Your 8 crossings this month were all made the day before a correction at the Tallinn Sector relay. Whether that is luck or foresight is not for the Bank to settle, and the fee has been charged either way. Ref. CIBT-3012-9634-2		
19 Aug	Deposit: Hall E	+930,074	20,963,282
	The Teller points out that the coins were all facing the same way. In her experience this is a sign of either good character or a long wait, and she has not yet decided which. Ref. CIBT-3012-19CA-6		
24 Aug	ATM withdrawal: Tallinn Sector	-86,400	20,876,882
	You stand at the machine with your back to the queue until the receipt has printed. The officer has stopped asking you to step aside, and the queue at Tallinn Sector has learned to wait. Ref. CIBT-3012-2E7A-7		
31 Aug	Interest at 3.30% APY	+55,032	20,931,914
	Eleven offices handled the interest on this account for 3011 on its way to the ledger, and it arrived at each one exactly as it left the last. The auditors have asked whether this is the depositor's doing or the offices', and have been told both, in that order. Ref. CIBT-3012-84D5-7

September 3011 August 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
