Period 1–30 November 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
7,695,788 s	**+115,526 s**	**-694,407 s**	**7,116,907 s**

Date	Description	Amount (s)	Balance (s)
07 Nov	Transfer to joint account	-56,618	7,639,170
	The joint account's rounding is carried across transfers under the regulation on cash-time paid at a machine, so that the fraction left by one month is added to the next. It has been carried 4 times, and the last carry was paid to Emeka Quaresma, who asked that it be noted as the first win. Ref. CIBT-3003-1D0A-8		
10 Nov	ATM withdrawal: Venus	-86,400	7,552,770
	On the 10th the machine at Venus offers you the draw it offered last month. You take it, and the machine is left with the impression that you have never once been surprised by it. Ref. CIBT-3003-31DC-3		
11 Nov	Slippage fee (Venus, 2 transfers)	-1,200	7,551,570
	You cross to Venus on the 11th of each month, always in the early hours before the relay opens, so the fee is charged at the early-hours rate. The officers say it is the lowest the Bank has ever posted. Ref. CIBT-3003-D4F2-8		
12 Nov	Payroll credit: Cloudport Aerostat Lines	+94,363	7,645,933
	Cloudport Aerostat Lines writes its remittance advice in pencil on a card that has been used for 45 years, and the figure on it is the figure we posted. Nobody at the office has said why the card is still in service, and the Bank has not asked. Ref. CIBT-3003-2392-6		
14 Nov	ATM withdrawal: Venus	-86,400	7,559,533
	The officer at Hall E asked whether the withdrawal of One Standard day was a purchase or a gift. On being told it was neither, the officer was satisfied that the sum had been recorded correctly as cash. Ref. CIBT-3003-B14F-5		
17 Nov	Transfer to own account: Venus	-444,492	7,115,041
	A sundry raised on the 17th described the document as filed at Hall E, when it was filed at Venus. The description has been amended. The charge is the same, and it was the only thing on the form that was wrong. Ref. CIBT-3003-0A67-0		
27 Nov	Temporal Health Plan	-19,297	7,095,744
	You have never had a prescription filled at Hall E. You have had it sent to Venus, where the local pharmacy keeps your file open for you. The plan has no objection to the arrangement and has asked, in writing, that it continue. Ref. CIBT-3003-4A4C-4		
30 Nov	Interest at 3.30% APY	+21,163	7,116,907
	Audit note: the interest accrued on this balance over 31 days is 21,163. The Committee has checked the accrual against the posted rate for each second and has asked that the working be kept. It is kept, and it is long. Ref. CIBT-3003-894A-8		

Closing balance, month by month

Highest 9,298,573 s · lowest 6,926,688 s

December 3002 — November 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
