Date	Description	Amount (s)	Balance (s)
07 Jan	Transfer to joint account	-187,524	44,323,204
	The joint account has been paid on time for 9 years. The Teller mentions it only because no one else in the building will, and she says it with the air of someone who has been asked not to. Ref. CIBT-3003-7BE3-9		
10 Jan	Temporal Health Plan	-34,364	44,288,840
	No administration charge was made on your 7-session claim at New Orleans Sector. The clinic there sends its invoices on a card, which the plan had not before been asked to read, and it read it without charge. Ref. CIBT-3003-067F-5		
11 Jan	Transfer to own account: New Orleans Sector	-614,203	43,674,637
	A sundry on the 11th was raised by a holder whose name the system did not recognise, against an account the ledger lists as having no holder at all. The sum has been paid to the account, and the account has been left as it was found. Ref. CIBT-3003-EB8A-4		
18 Jan	Payroll credit: the Europa Ice Authority	+312,540	43,987,177
	The Teller records that you asked for the credit in the smaller notes, then asked for it to be counted again, and that this is the only such request the branch has received this year. Ref. CIBT-3003-3D55-3		
23 Jan	ATM withdrawal: New Orleans Sector	-172,800	43,814,377
	The machine at New Orleans Sector was 19 minutes slow to hand over the 2 Standard days. It had been waiting for the relay to confirm that the shortfall of 0.991 was not yours. It was not. It was the relay's. Ref. CIBT-3003-4A51-7		
31 Jan	Interest at 4.90% APY	+181,752	43,996,129
	The half-second rule is old: half up on the first working day of the month and half down on every other. This period closed on the first working day, so the odd half-second has gone to you, and the officer has noted it in the margin in pencil. Ref. CIBT-3003-12CD-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
